

March 16, 2020

Dear First Grade Families,

We hope this letter finds you happy and healthy. We have provided you with some review worksheets for the next three weeks. Please do only one packet per week. We will have the packets online, or you can come to the office and ask for a copy of one. Your student's report card will also be in the office. If you want a phone conference, please call the school and they will forward your call to our room. The conference will only be in English

Here are some more activities your child can do online:

Your student can go to Lexia, Lexiacore5.com, they will have to first enter their teacher's email to start. lsnyder@ggusd.us, twong@ggusd.us, jnguyen1@ggusd.us, cminaker@ggusd.us.

The students' username and password are the same. It is their lunch number. If your child does not know their lunch number email us and we will give it to you

They can also go to go noodle and you can create an account.

Our Carrillo website under Student Resources also has some ideas.

We are hoping they can do EPIC, but we are not sure.

Please do this every day:

Study math facts

Read and discuss the reading with an adult

Study High Frequency words

Work on the weekly packet

Thank you for your support,
Mrs. Minaker, Mrs. Nguyen, Mrs. Snyder, and Mrs. Wong
